August
28,
2026**

Beardmore
Event Center,
Bellevue,
Nebraska

Register Now!

New this year! Join us for a co-hosted event by the Nebraska Infectious Diseases Society and Nebraska ASAP. This conference combines the NIDS annual meeting with the Nebraska Antimicrobial Stewardship Summit

Nebraska

ASAP

Here's what you can expect at this year's meeting:

- Three tracks to choose from for breakout sessions: **NIDS track, Antimicrobial Stewardship Track, and Long-Term Care Track**
- Network with infectious diseases experts across the spectrum of our specialty: infection prevention/hospital epidemiology, antimicrobial stewardship, pediatric infections, public health, microbiology/pathology/laboratory medicine, and more!
- Outstanding trainee oral and poster presentations
- Opportunities to network with exhibitors and learn about what's new in industry
- NIDS Annual Business Meeting (Members only)
- Food and snacks included throughout the day
